Private Travel Certification Form

21. The expense for attendance at the CES 2017 exceeds the federal per diem rate. The reason for this differential relates to the accommodation requirements for (1) a large group and (2) easy access to the CES floor. The expense for meals exceed the federal rate due, in part, to a dinner that is being offered as part of the convention and available to many attendees other than Congressional members and staff. The government invitees are receiving the same meals as those other attendees.
